# The Everlasting Hatred: The Roots Of Jihad

## Synopsis

Best-selling author Hal Lindsey explains how, on September 11, an ancient fight-to-the-death conflict exploded on the shores of the U.S. Though most Americans didn't realize it, we were already involved in this struggle. A struggle driven by a hatred that goes back over 4,000 years. Islamic fundamentalism's purpose is to replace the Judeo-Christian world order with an Islamic world order. Every American needs to understand the enormity of the threat we face and why. In the aftermath of 9/11 most Americans are asking: Why do most Muslims hate Jews? Why do Islamic fundamentalists hate the United States and call it "The Great Satan?" Why did Islamic terrorists sacrifice their own lives to kill Americans? Do Islamic fundamentalists have access to weapons of mass destruction? Could Islamic terrorists imperil the survival of the United States? What light does Bible prophecy shed on this? Does the Koran call for violence and conquest? Are the Islamic fundamentalists an aberration of the Muslim religion, or are they as they claim the "True followers of Mohammad?"

## Book Information

Audible Audio Edition

Listening Length: 7 hours and 43 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: February 12, 2014

Whispersync for Voice: Ready

Language: English

ASIN: B00IEDOEHK

Best Sellers Rank: #77 in Books > Audible Audiobooks > Religion & Spirituality > Islam #182

in Books > Audible Audiobooks > History > Middle East #485 in Books > Audible Audiobooks >

Politics & Current Events > Freedom & Security

## Customer Reviews

A prominent myth regarding modern mainstream Christianity is that "you can make the Bible say anything you want it to." In reality, this concept is untrue, but the common failings of humankind, such as tradition, indoctrination, and denominational loyalties, often lend an illusion of support to such criticism. The vast majority of this work by Hal Lindsey focuses on several fundamental issues (namely the enmity between Israelites and the Arab nations, and the many prophecies pointing to

the restoration of national Israel in the latter days), which are virtually irrefutable by anyone who examines the scripture in a sincere and unbiased manner. There will always be honorable disagreements between sincere Christians regarding minor theological issues, but the prophetic concepts detailed in this book are neither minor or obscure, by any stretch of the imagination. The content and instruction provided are very important to every Christian, and depending on the personal situation, such teaching could even be considered crucial. While most readers will probably appreciate the obvious benefits associated with an improved insight into biblical teachings, I believe that several other benefits are provided that may not be so obvious upon first consideration: 1. The reader will gain a greater appreciation for the divine accuracy and relevancy of ancient scripture as it pertains to our modern times. 2. The reader's faith in the divine inspiration of scripture will be more firmly established. 3. A general concept of the unfolding of future events can be easily perceived. This book does not twist and sensationalize modern events into a "scare tactic" in the effort to evangelize the reader (as is the case in many modern prophetic/interpretive writings).
