Customer Reviews

As an alumnus, this book brought back some fond memories. I'm glad Jud chronicled the corps history and even included some funny stories! Whether you marched in this corps, another corps, or never marched at all, this is a fun chronicle of the journey.

If you like drum corps you'll love this book. It's a grass roots telling of a piece of Americana from a small upstate NY town. Books on this subject are rare and this one is a gem. Anyone interested in this unique activity's roots should get a copy.
