Golden Autumn 1 Piano Sheet Music: Original Solo Piano Pieces

Synopsis

"Golden Autumn 1" is the first installment in Iranian/Canadian composer/pianist Fariborz Lachini's celebrated series of piano albums called Golden Autumn that includes his original writings for solo piano, some of which were originated from the themes he created for film scores. It was first released right after the dark years of Iran/Iraq war. Crossing all barriers, the album quickly became the most popular album in Iran and made Lachini's a household name. Since then his solo piano books have been taught by music teachers in Iran. This is the companion songbook for Fariborz Lachini's CD with the same name. Golden Autumn 1 is a note-for-note transcription of the fifteen pieces from Fariborz Lachini's solo

piano album by the same name that was originally released in the early 1990's and re-released in 2007. Transcribed by David Shenton of New York Music Publishing, USA, the notation is clear, easy to read, and very accurate. The books were printed in an 8"X10" format, which is smaller than is customary, but I didn't find the smaller size at all problematic to read. The difficulty of the music ranges from intermediate to early advanced, so there should be something for most pianists to play and enjoy. Lachini's music tends to be slow and melancholy, and is always beautiful and relaxing to play. My favorite pieces in this collection are "Autumn Lightness," "In Autumn, the Leaves Came to Our House," "In My Little Autumn, the Trees Had Only One Leaf," "Confused, the Leaves Went to the Sea," and "You Were a Guest in Our House in Autumn." Recommended!

this composer has a unique style it is a wonderful book to add to my repertoire

I can see where the composer's mind flows. However, the arrangements make me a little bored. My apologies to the composer. However - your prompt delivery was more than exceptional!

Love his music!
