Very interesting according to Ian, who as many of the minecrafters will know him as, Ssundee, talked about the book briefly in his 17th episode in the Blood and Bones series he records through

YouTube. He said it was very interesting indeed, and includes the link to this book in the description of the video. Very imaginative, and witty, the author will include a large variety of comical jokes in the 'Legend of Blood and Bones'.

I give this 5 ***** stars because it is amazing and unlike how it's ssundee vs ssaturdee like Sunday vs Saturday great book I love ssundees blood and bones series and I think this is the best even because ssundee helped write it , maybe derp ssundee helped too anyway great book -Ssundee Lover
