## Synopsis

Josephine Baker became a sensational dancer in Paris during the 1920s. During a tour of central Europe Czech authorities called out the militia to deal with riots that were anticipated to coincide with her appearance there. The American expatriate left New York for Europe in 1925 following a bit part in the Broadway all Negro revue Shuffle Along. The dancer later criticized the United States as a racist country. My e-book looks at her years in France and as an exile in Marrakesh, Morocco after the 1940 French takeover by the Nazis. I have used newspapers of the early and mid-20th century and some internet sites to complete my work.
