## Customer Reviews

Nice compilation of animal images which are printed single-sided to prevent ink or color bleed-through affecting the neighboring drawing. Each larger image is drawn using a "tangle" which offers the ability to choose either large or small coloring spaces without coloring outside the lines. While this is a great book, the only part of the description I would disagree with is the over \$250 value, that is hyperbole, Images are as listed ( Owl, Owl Pigeon, Wolf Cub, Wolf, Stag, Baby Stag, Eagle, Squirrel, Penguin, Penguin Family, Polar Bear, Polar Bear Cub, Seal, Husky, Squirrel with nuts, Walrus, Lynx, Rabbit, Rat, Grizzly Bear, Caribou, Beluga, Bison, Eaglet, Orca, Moose, Albatross, Siberian Tiger, Ferret, Otter , Capricorn, Siberian Crane, Fish, Dove, Baby Goat, Horse, Raccoon, Fox, Panda, and Monkey) and lovely representations of each. I have a few animal-themed adult coloring books and enjoyed this one quite a bit. I received this product at a discount for my honest and unbiased review, I am in no way obligated to provide only positive feedback. All of the opinions above are truly my own.

I bought this coloring book hoping it would help me to relax. The pictures in it are not what I'm used to. There are so many different swirls and patterns to each picture that I honestly have no idea what I'm supposed to be coloring. The actual pictures are pretty but the designs are not all that great. I can color the pictures but just don't feel like I'm doing a very good job of it. There are no backgrounds to any of the pictures, it is just the animal. I paid full price for the coloring book. I did not receive a discount or get it free.

Love the all my stuff cheap prices and good quality love free shipping you guys should think about free shipping all. The time thanks

Great coloring book
