# Tablets Of Bahá'u'lláh, Revealed After The Kitáb-i-Aqdas

## Synopsis

This collection of 16 tablets revealed by Bahá'u'lláh after the Kitáb-i-Aqdas constitute some of His most significant works. Abdu'l-Bahá refers to these tablets in his own writings by saying: Direct thine attention to the holy Tablets; read thou the Ishráqíyyát, Tajallíyyát, the Words of Paradise, the Glad Tidings, the Tarazíyyát, the Most Holy Book. Then wilt thou see that today these heavenly Teachings are the remedy for a sick and suffering world, and a healing balm for the sores on the body of mankind. They are the spirit of life, the ark of salvation, the magnet to draw down eternal glory, the dynamic power to motivate the inner self of man. (Abdu'l-Bahá, Selections from the Writings of Abdu'l-Baha, p. 60-61)

## Customer Reviews

This audio version of 'Tablets of Baha'u'llah' is a joy to listen to! I have always found it hard to find time to sit and read.. now I can simply drive and listen. Its awesome! A great way to create opportunities to deepen on the writings!

This audiobook is a fabulous opportunity! My eyes get sore after reading, so audiobooks are perfect for me. The quality of the sound is excellent. This price for an audiobook makes it an especially good deal. Many audiobooks cost much more. I hope to get more in the future. Thanks to the people who make Baha'i audiobooks possible and to for selling them.

We had a little mix up and the seller came through with flying colors! I would definitely buy from

them again! Wonderful service and responsiveness is excellent! Book is in good condition just as stated. Perfect!
