The Holy Bible: New Testament English Standard Version

Synopsis

The New English Standard Version translation is founded on the belief that the words of the Bible are the very words of God. Setting itself apart from other translations by sacrificing neither accuracy nor readability, the ESV is an "essentially literal" translation that seeks to duplicate the original texts while taking into account the differences between modern English and the original languages. Relying on the work of more than 50 Bible scholars, as well as the input of a 60-member, multi-denominational Advisory Council, the translation committee chaired by J.I. Packer realized its goals of word-for-word precision and accuracy, literary excellence and readability, and depth of meaning. Written in language beautiful enough to be used for public reading, clear enough for preaching and devotions, and trustworthy enough for academic study, the ESV sets a new standard, and is truly a Bible for all people.

Book Information

Audible Audio Edition

Listening Length: 21 hours and 33 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Oasis Audio

Audible.com Release Date: March 13, 2006

ASIN: B000EZQO3I

Best Sellers Rank: #20 in Books > Audible Audiobooks > Religion & Spirituality > Bibles #901 in Books > Christian Books & Bibles > Bibles #24304 in Books > Religion & Spirituality

Customer Reviews

Translating the comments above for those of you that are like me and have trouble reading in between the lines:*****"His slow, thoughtful, and emotionally expressive narration makes you feel like you're ACTUALLY THERE, experiencing the story of Jesus."The narrator gives a new voice to every character we meet. He talks as if he is speaking in a play and enunciating to 200 people sitting in various parts of the theater.*****"I say without any reservation or exaggeration that this Dramatic Narration of the Complete ESV New Testament by MARQUIS LAUGHLIN is the best audio Bible ever."The narrator attempt to mimic emotions the characters might be feeling. Like Peter cowering in fear. A trembling (or a quivering) voice is common.*****"I felt his voice was very nice and he had a great tempo."Tempo...like in music. Yes the narrator uses this continuously. His

voice goes up and down, up and down...*****I will say that I didn't read the reviews very well before purchasing this. I saw a cheap audio version of the New Testament and thought "That would be good to get."If you are like me and easily distracted by the narrator adding every voice instrument known to man to his reading of the scripture, then this audio book isn't for you.I was simply looking for a nice, dry reading (no drama) for memorization when I'm in the car. Basically I'm using this as a tool to better quote scripture when I'm discussing topics or thinking about things.Some people might find this version worthwhile, so I'm not knocking it if drama is your style, but if you want a cut and dry reading of the New Testament, try another audio book.
