Diary Of Herobrine: The Diamond Map - Journal 1. Definitive Herobrine Series With Maps & Drawings.

Synopsis

Diary of Herobrine: The Diamond Map The first journal charting Brian's stunning change from peaceful farmer to the merciless Herobrine. Brian's story and Herobrine's beginning - includes maps and drawings by Brian himself. We have found Brian's first journal, the story, in his own words, of how he was loving the life of a farmer. Brian was living a contented and peaceful life with his more bold and adventurous brother Steve, when a zombie army descended on them and changed their lives forever. Read about the birth of Herobrine in Brian's own words Brian's journal describes in his own words how his world was turned upside down on May 5th by the arrival of a zombie army and the 'Diamond Map'. Maps Brian has included maps of the farm and outlying area so that you can see exactly what is happening and where. He also included a drawing of the original 'Diamond Map'. Drawings by Brian Lucky for us that Brian could draw (well... that's if you call scribbling stickmen drawing). There are loads of drawings showing what happened on that fateful night - the night that changed two lives and then the lives of millions of Minecrafters everywhere. Diary of Herobrine: The Diamond Map - Journal 1. Definitive Herobrine Series with Maps & Drawings. By Brian Adamson Kindle Edition Free download, List price \$0.99 Publication Date:

November 20, 2014 | Age Level: 7 - 12 | Grade Level: 3 - 6 Steve and Brian and their farm, the attacking mobs and a treasure map! All the ingredients needed for an edge of the seat adventure.

Kids will likely love this book, it's got everything, even a cliff hanger ending. This could use some editing on structure and some of the missing or misplaced words. This is supposed to be Brian's Diary, but multiple entries while under siege makes it a bit lame. The conversation between characters is very stilted, overall the structure of this book is very poor. 4 stars for story, 1 lost for lack of structural integrity.

An amazing and interesting story. Brian, was a simple farmer living a peaceful life with his bold and more adventurous brother, Steve, when a hoard of zombies descended on them and changed their lives forever. The story starts with Brian writing in his journal about how his world was turned upside down on the day they were attacked by zombies and found the Diamond map. I loved the adventure that the brothers got into when they defended their farm and fighting the zombies. The story was being recorded by Brian in his journal, complete with drawings! I can't wait for the next part of their adventure.

It's awesome I want the entire series! ☺

Loved it! It was funny but not fruity, epic but not too much, perfect and still about minecraft! A huge thanks to the genius who wrote this awesome action-packed book! Recommended to ALL MINECRAFT PLAYERS who like non-stop action with subtle tints of humour. P.S. I really could use that cheating helmet!
