The Last Coyote (Harry Bosch)

Synopsis

Harry attacked his commanding officer and is suspended indefinitely, pending a psychiatric evaluation. At first he resists the LAPD shrink, but finally recognizes that something is troubling him and has for a long time. In 1961, when Harry was twelve, his mother, a prostitute, was brutally murdered with no one ever accused of the crime. With the spare time a suspension brings, Harry opens up the thirty-year-old file on the case and is irresistibly drawn into a past he has always avoided. It's clear that the case was fumbled and the smell of a cover-up is unmistakable. Someone powerful was able to divert justice and Harry vows to uncover the truth. As he relentlessly follows the broken pieces of the case, the stirred interest causes new murders and pushes Harry to the edge of his job and his life.

Customer Reviews

Michael Connelly has dusted off an increasingly rare gemstone in the crown jewels of American literature: the hard-boiled detective. Present in Connelly's pithy and believable prose is all of the wit and grit of Hammett, MacDonald, Stout, and Spillane. What he's brought us in Harry Bosch is a cop's cop. Bosch, an LAPD homicide detective, is a real-life hero for whom the principled drive to see justice done allows him to deal with the treacherous world of Los Angeles politics and some even more treacherous politicians (some of whom masquerade as police officials). While *The Last Coyote* is the fourth Bosch novel, the plot and characters are so artfully developed that this novel could stand alone as a complete novel. At the same time, the writing is so compelling and

captivating that it is a real pleasure to know that Bosch is a recurring character in Connelly's work. Although this is my first Connelly story, I am officially an addict, and I cannot wait to devour the rest of the titles in the Bosch series. *The Last Coyote* opens with Bosch under suspension for assaulting his Commanding Officer, Harvey "98" Pounds. With his newfound freedom comes a mandatory psychiatric evaluation to determine his fitness as a police officer. The ensuing therapy sessions force Bosch to take a hard look at his options, should he later be kicked off the force for the assault on his CO. Faced with his ever-present personal demons, his suspension, and time on his hands, Bosch begins to investigate perhaps his greatest mystery: the unsolved 1961 murder of his call-girl mother. Though cautioned by his therapist that solving this mystery may remove his motivation to be a detective, Bosch dives into a mystery (and his personal story) that exposes the seedy underside of Los Angeles political corruption.
