We Have Your Daughter: The Unsolved Murder Of JonBenét Ramsey Twenty Years Later

Synopsis

In *We Have Your Daughter: The Unsolved Murder of JonBenét Ramsey Twenty Years Later*, Emmy Award-winning investigative journalist Paula Woodward offers an unprecedented insider perspective on the twentieth anniversary of one of the most heinous, sensationalized, unsolved crimes in American history. Here for the first time, Woodward examines conversations and information from all sides of those involved in the case. She shares information compiled during the twenty years she reported on the murder, including private conversations with law enforcement individuals directly involved in the case, their thoughts and dissections of what went wrong and right, and who they now believe is the killer. Woodward has included drawings by JonBenét, letters from her teachers, and photographs that show a normal, happy six-year-old whose life was cut short in such a horrible manner. She shares portions of John Ramsey's private journal, where he wrote of his torment and grief in the aftermath of the murder. And she recounts personal conversations with JonBenét's mother prior to her death from cancer in 2006. JonBenét's brother Burke talks publicly for the first and only time about his sister's death and how it affected the family and his life. *We have Your Daughter* is an extraordinary work of journalism, twenty years in the making. It depicts a family under siege with their guilt or innocence still openly questioned. This book allows readers to decide in this heartbreaking story - was it Ramsey or an unknown intruder?

Book Information

Hardcover: 528 pages

Publisher: Prospecta Press (September 27, 2016)

Language: English

ISBN-10: 1632260778

ISBN-13: 978-1632260772

Best Sellers Rank: #4,131 in Books (See Top 100 in Books) #49 in [Books > Biographies & Memoirs > True Crime > Murder & Mayhem](#)

Customer Reviews

Not only does this book include copies of the actual police reports and statements from family and others, it also includes bits of JonBenet. Her one and only report card, a photo of a turtle she made

from a paper plate, other bits we have never seen. I admit I do have a couple questions and see one thing I can't wrap my mind around so will try to confirm for myself, but half-way through the book with one big doubt is good odds for me here. My biggest complaint is she avoids using names. A friend went with John to the basement. His name is FLEET WHITE. Someone supported Patsy when she left the den to see her daughter's body. Her name was BARB FERNIE. I don't know why she hesitated to use names but I wrote them in my copy to make it, imo, a better book. This book is well worth the money. Buy it, really READ it, write in the margins. This is a keeper for sure and I think in years to come will be referenced as much as the Schiller/Brennan book.

Got through the first few chapters, and could tell it was glossing over a lot of things. It seems biased towards the family and does not provide much in the way to keep me interested reading further.

Hard to believe this is from a journalist. There is no attempt at impartiality. The author criticizes others for interpreting things so that they comply with their theory, but does exactly that herself. She became way too close to the Ramseys to ever be objective. A difficult read.
