#### Customer Reviews

The best effective path to healing is prayer. God is always there for us and the essence of daily prayer is elevating our heart to Jesus and ask him to guide us on our journey. This book is just an inspiration for me to and also for a guideline on how to ask. It offers me the most powerful 77 healing prayers to keep myself motivated and inspired in order to connect with Jesus any time, anywhere. Beside these, dozens of inspirational Bible verses that can enable me to make giant leaps forward in my spiritual as well as worldly life.

Prayer has always been a powerful life line for me! I love reading prayer books like these which help you get specific about your prayers. It really helps deepen my spiritual relationship! I'm glad I have

this book to reference so many different prayers!

This book taught me so many things. With its more than 77 prayers, your spiritual being will be refreshed and improved. This book provides varieties wherein you can relate anything in all aspects of our lives. This is something that should be recommended especially to youths.

As a Christian, prayers have always been my outlet when in time of need, sadness, sickness and of course during happy times as well. This book caught my eye and I'm glad I purchased it. The prayers included in this book were sincere, intimate and indeed powerful. Would definitely share this one.

In this time of chaos, wars, and just everyday problems, prayers give us a sense of new hope. Prayers help us heal from all the pain this life give us. Prayers make us feel loved and cared by God. This book give me a set of prayers I can use when I feel overwhelmed already. They speak for my sufferings. I appreciate this book and thank you for producing this one.

Very inspiring book. These are the kind of books that just make us realize that God is always there with us. That no matter what happens, God is there guiding us, watching us. The author of this book writes extremely well. The prayers here are well-written and very relaxing for the mind and body. I'm definitely reading other books published by this author.
