Full Service: My Adventures In Hollywood And The Secret Sex Lives Of The Stars

Synopsis

Newly discharged from the Marines after World War II, Scotty Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of young, attractive, and sexually free-spirited friends. His own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII, and he arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. Full Service is not only a fascinating chronicle of Hollywood's sexual underground, but also exposes the hypocrisy of the major studios, who used actors to propagate a myth of a conformist, sexually innocent America knowing full well that their stars' personal lives differed dramatically from this family-friendly mold. As revelation-filled as Hollywood Babylon, Full Service provides a lost chapter in the history of the sexual revolution and is a testament to a man who provided sex, support, and affection to countless people.

Book Information

Hardcover: 288 pages

Publisher: Grove Press; First Edition edition (February 14, 2012)

Language: English

ISBN-10: 0802120075

ISBN-13: 978-0802120076

Product Dimensions: 9.1 x 6.1 x 1.2 inches

Shipping Weight: 1.2 pounds

Customer Reviews

Somehow I was surprised that this was so well-written (although Scotty Bowers collaborated with Emmy Award-winning writer and documentary film director Lionel Friedberg). Bowers seems like a nice, charming guy with boundless energy, curiosity and a great appetite for life who seems to have never had the slightest hang-up about sex. Of course having killer good looks and body didn't hurt.

An interesting subtext about how witnessing real horror at Guadalcanal and Iwo Jima increased his desire to live life to its fullest after the war. The book is overflowing with juicy, bizarre, often very surprising gossip which can be hilariously funny, sometimes sad, and frequently over-the-top salacious. All of the in-your-face sexuality and pathos is interesting because it involves people who were so idealized at the time - and some still are. Plenty of rumors are confirmed and legends shattered - hence the anger and disbelief of so many reviewers here. This goes well beyond "Hollywood Babylon" in explicitness and naming names. A real page-turner. Definitely not a re-hash of tired, familiar stories or questionable speculation; Scotty knew and saw them all up close and decided his fascinating tale was worth sharing, now that most of the denizens of old Hollywood are gone. The book's tone is never mean-spirited. Gore Vidal calls the book startling and vouches for Scotty's veracity. For those with delicate sensibilities: approach with caution. Some readers will be offended by "distasteful" and unflattering details about favorite celebrities, but if you're going to tell this kind of story nowadays, you might as well go ALL the way, and Scotty does! A Vanity Fair writer and award-winning documentary film-maker has signed a deal to make a documentary about Scotty.

Where do I begin. When I bought this book I really wanted to take the man at his word....but after reading it, it was evident it was a cross between Forest Gump meets Penthouse forum type of book. Good ol' Scotty reminds me of what the elder priest said to the younger one in the movie Exorcist, when he warned him "The demon will mix truth with lies in order to confuse us". Sure some of what Scotty said could have happened but it gets ridiculously laughable how much BS most of it is. Let's see, he claims in 1964 when Brian Epstein the Beatles manager had booked a room at the Beverly Hills hotel that he changed his mind because female fans had already found out what hotel they were staying at so he needed a more secretive location. As soon as the plane landed he made a call. Did he call a travel agent? Professional concierge? Nope he called ex gas pumper, part time bartender, occasional pool digger Scotty Bowers to arrange him a safe place. On to another tale. He claims he wore a uniform at his job at the gas station and one time after a night of 'tricking' he was worn out and decided to take a nap in the park on the way to work, we can assume while in uniform. While sleeping he wakes up to find a man satisfying his and I quote 'throbbing member' neither Scotty or the man feel awkward about this and they become 'fast friends'. Now who in their right mind no matter what sexual orientation they are, would go up to an ex-marine, in a gas station uniform and decide to run their hands in his pants while sleeping? Well who would that didn't have a death wish? Now he also mentions that he would 'happily' (that word

get's used so much it's clear a thesaurus wasn't on the editing table) get young women for Errol Flynn. Errol had taken him out to dinner and asked him this favor.
