# Blow Fly

## Book Information

Audio CD

Publisher: BOOKS ON TAPE; UNABRIDGED edition (2003)

ASIN: B000QX6KO6

Product Dimensions: 6.8 x 4.3 x 1.4 inches

Shipping Weight: 7.2 ounces

Average Customer Review: 2.3 out of 5 stars [See all reviews](#) (900 customer reviews)

Best Sellers Rank: #5,064,462 in Books (See Top 100 in Books) #56 in [Books > Books on CD >](#)

[Authors, A-Z > \( C \) > Cornwell, Patricia](#) #7481 in [Books > Humor & Entertainment > Humor >](#)

[Essays](#)

## Customer Reviews

When I first starting reading the Scarpetta novels I thought it was fairly clear what the attract was to each story: a viscous but unusual murder, or series of murders was committed, and Dr. Kay Scarpetta, Chief Medical Examiner for the state of Virginia, would be called in to use her forensic expertise to discover and unravel the clues. Remember that this all began after "Quincy, M.E." went off into syndication and before "C.S.I." first aired, so detective stories hinging primarily on forensic investigation and detailed medical examinations of corpses was not as prominent as it was today. Plus there was the entire sub-text of Scarpetta as an extreme competent woman who was always the target of professional jealousy and/or political intrigue. For years my main complaint about the Scarpetta novels was that they rarely provided a satisfactory sense of catharsis, especially with regards to the despicable characters who were gunning for her professionally; they never seemed to get their comeuppance. But then the novels started to link up in strange and bizarre ways, and it became clear that Kay Scarpetta was the target of a complex and intricate conspiracy. No matter what the crime, and no matter how unrelated it seemed to what had happened in the previous novels, it turned out that it was all part of this giant conspiracy. From this perspective it is not surprising that there is no true catharsis at the end of any particular novel, because in terms of the big picture there is always more fun to come. However, this leads to the key question with regards to this concerted effort to destroy Kay Scarpetta: Why is author Patricia Cornwell out to get her own creation?
