## Customer Reviews

I love this book! We bought it as a gift for our daughter for her birthday. I love that it teaches her to write thank you notes and it even has a couple of thank you notes in the back that you can use yourself.

Daughter's favorite book! She asks for it every night before bed, almost two weeks now! Hubby's tired, but kid still wants it. It's got a great message and a couple thank you cards to share with others, encouraging the concept of saying "Thank You."

Read this with my 2-year-old, then we decorated up the two included thank-you cards to send thank-yous for a couple of his birthday presents. Made for a fun introduction to the idea of thank-you notes. Best for a child who likes to draw and sticker the way this book's George draws and stickers on his notes.

great "thank you" gift for my daughter Curious George birthday party. Just wrapped it with a ribbon and attached a lollipop to it. Super easy

Love this book. We will use this for party favors for little ones 2nd bday. It's a sturdy book and even comes with thank you notes inside of it.

I ordered this book for my special needs grandson and I want to say Thank you to those creative people who have taken the time to create Curious George. My grandson loves him and he gets so very excited upon each delivery, thank you for the high quality of each book and please keep them coming.

I haven't met the child who doesn't love Curious George! This book is delightful, and also teaches the grace of saying "Thank you."

Such a sweet book. My son really clung to the idea of thank you. We love little George and his silliness.
