Customer Reviews

The places listed in here are great - I've been to many of them in my previous trip to Mallorca and would definitely recommend them. Suggestion to the author: I think adding photos of what the places look like would really help show what kind of feel the location has. It is hard to tell through just a description.

Very simple, yet very informative guide of beautiful Mallorca. This book gives you 25 tips that are plenty enough for your tourist stay. You won't have to figure out anything yourself because this book covers all parts of fun. Tips on best food places, where to grab a drink or have fun at a night out. Of course it covers all the best sightseeing places you must visit and end with some of the best shopping and entertainment tips. Really awesome short booklet for your next trip to mallorca.

The book is very simplistic (granted, it is very small). It tries to compile the list of the 25 best (restaurants in the north, beaches in the south, hotels here an there) and it spreads itself very thin. It is suitable for the most casual of travelers that like to go by lists. There is no appreciation for the immense diversity of the island.

Mallorca is a hotspot for tourists seeking an unforgettable Mediterranean vacation. This is a perfect

book for tourists looking to enjoy the sun and sand. This book also provides what not to miss in Mallorca and specifically when to visit Mallorca, when the days are warm, and the evenings are just warm enough to make nighttime adventures easy and comfortable.

Love this guide! This Guide book is very reliable and complete. It is suitable for the travelers that like to go by lists. I like this guide book a very well written and very detailed enough to actually find the secrets or unknown secrets in Mallorca. A must read Guide.

Mallorca is a lot more than a good isle from the coastline associated with the country. I think it's amazing to go there and see the place. This is good book for travel Mallorca. Thanks to this book for introducing Mallorca.
