Customer Reviews

I love this book. The musical selections contained between the covers will equip the performing accordionist with the tunes that he or she will both love to play and be glad to have on hand when they inevitably will be requested.

As a solo trumpet player, this book will come in very handy. Has many popular songs as advertised. This was a very good buy also because there are a lot of oldies in here that senior citizen groups will enjoy!!!

I'm not the player. Got it for my 82 yr old mother-in-law who decided she wants to take it up again. She's happy, I'm happy.

Terrific easy arrangement of popular music will keep you entertained for hours daily. This book is a must have for any accordionist wishing to expand his repertoire.
