Customer Reviews

Very simple to follow notation and tabs for the whistle. I've purchased the entire set of books. Highly recommended for beginners or for teachers with students of all ages. I would like to see the entire collection offered as a set. Thank you! 30 Irish Folk Songs with sheet music and fingering for Tin Whistle (Whistle for Kids) (Volume 5)

I like the finger notes for the tin whistle , I would have liked more traditional music however I know this will help my tin whistle progress and there are more books available with different kinds of music

Just what I wanted, just what I asked for.

Some good and interesting songs.

The fingering charts are so small they are nearly useless.
