Phil Robertson: The Inspirational Life Story And Hilarious Adventures Of Phil Robertson; Football Legend, Duck Dynasty Star, And Creator Of Duck Commander Inc.

Synopsis

Discover the Inspirational Life of the Duck Dynasty Superstar Today!!! Today only, get this 1# bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device Phil Robertson is an extraordinary American who enjoys hunting and spending time with his family. Phil has many talents and he has found success in a diverse range of different areas in life. This is a very modest and humble man who has dedicated his life to helping people and improving the condition of America. Phil has had quite an interesting life. He started out as a poor small town country boy and grew up to be one of the most popular and well respected people in America. Phil was a star quarterback for his college football team and he was even given the opportunity to play professional football in the NFL. Phil knew that he was capable of accomplishing great things that were not limited to the football field. This book was created to teach the world about Phil Robertson's life story and personal values. Many of Phil's most important accomplishments will be covered, all the way from his early days at Duck Commander Incorporated, up to his influential role on Duck Dynasty. Phil Robertson's incredible football career will be examined in addition to the important role that god and religion plays in his life. Customer Reviews

Let me just say I have never seen an episode of Phil's television show, and didn't even know much about him in general except for the somewhat recent "scandal" that apparently got him kicked off. It was because of this, that someone recommended I read this book, so I could learn about him. I was sort of reluctant, but I read it over a few nights. I have to say, I was quite impressed. Not only for his remarkable life, but the writing of Patrick Bunker is great! He has laid the book out fantastically and just draws you into Phil's life with ease. We learn pretty much all the important aspects of one's life, going all the way back to his birth in a small Louisiana town. Like I mentioned I didn't really know much about him going in so I was quite surprised to find out he was much more than a camo wearing southern man who made a duck call. He was actually a good football player in school with a shot at the NFL! I think the most appealing part is seeing that good moral family men still exist in today's society. I can honestly recommend this book to anyone wanting to read about an extraordinary life, and you can rest easy knowing I am not the typical "fanboy" that follows this family on a regular basis.

WE LOVE IT, INCLUDING MY SON (6TH GRADE)

Good book just not long enough

I've seen many of their episodes and love how they are. What truly astounds me, you will see in this book, they are the genuine people! They don't simply talk with no action, they walk the walk. They don't censure others, they lift everybody around them up. They concoct no excuses, they live the way they accept God needs them as well. They persuade, motivate, and aid others to have an improved life. They have not let money get in their way in life. They are only genuine practical individuals who love God, Family and Ducks. If you want to know the real family and their story read this book.

The most Christian man I've ever seen - Phil rocks!

Good well written book

I love any book with anything to do with the Robertson's. They are what America is about, at least the America that it used to be back when my parents grew up, in the 1950's. We need to bring God back in.

Loved reading this inspirational life story of Phil. The book is well organized with adventure, fun and reality. It's a well read and I would recommend.
