Fearless Watercolor For Beginners: Adventurous Painting Techniques To Get You Started

Synopsis

Finally! Artful watercolor painting for beginners! Yes, YOU can do it. YOU can create beautiful watercolor paintings--everything from florals to portraits to landscapes--even if you've never before worked with this exuberant, exciting medium. *Fearless Watercolor for Beginners* offers a unique, one-on-one workshop--with step-by-step demonstrations, exercises and bonus video content--that teaches you all the basics you need to get started (and then some)--and then promptly encourages you to break them! Inside you'll find: 22 step-by-step demonstrations for basic techniques, techniques for adding texture, and mixed-media techniques for truly one-of-a-kind work. Dozens of easy-to-understand concepts, practical, meaningful tips and fun ideas you'll be eager to try. Links to exclusive demo videos, exercises and tools to round out and enhance your workshop experience. Be bold! Be daring! Be FEARLESS!

Customer Reviews

This is a wonderful book with valuable advice for beginning projects, a comprehensive materials list, lovely detailed photographs and great suggestions for innovative techniques. I think painters at any level could learn something from this book.

Lots of great ideas and techniques! I shared this with my watercolor teacher and she's already implemented some of them in our class.

I was hesitant to order, yet another watercolor book from a seasoned artist, BUT, this book is different, it is well worth the cost. I believe the artist/author was successful in teaching technique,

without boxing the beginner into a style. She encouraged the reader/beginner to let-go of the "paint-by-number concept" and trust the vision. The sections on paper, brushes and paint was very helpful: explaining the differences as attributes, rather than challenges. I found the book to be invaluable for the beginner and motivational for the seasoned watercolorist.

This is a very good book for beginners as it goes over the basics of watercolor painting and the ways of working with water. I like how she includes other media like working on Yupo, trying out collage and watercolor pencils. She also has links to videos and more reading material you can access from the book.

This book is very educational, easy to read and immediately brings a good motivation to start , without fear, to learn watercolor. Excellent!

Wonderful book for beginners
