# Learn To Play Fingerstyle Solos For Ukulele

## Synopsis

While the ukulele is enjoying a well-deserved renaissance on the mainland, in the land of its birth, it has never gone out of style. Hawaiians took to the "jumping flea" right from the start, creating music of stunning beauty and versatility. Now intermediate players can learn to play lovely finger style solo arrangements of classic Hawaiian songs, folk songs, standards - even a few pieces from the classical guitar repertoire. The book offers 27 arrangements from around the world written in standard notation and tablature playable on any ukulele. Songs are grouped according to level of difficulty, starting with simple arrangements well within the grasp of dedicated beginners and intermediate players and leading through more challenging songs featuring unusual chord voicings, inversions up the neck, tricky fingerings and "all the fun stuff" the author could muster. To aid the student, the companion audio includes all of the songs taught. Includes chord charts, inversion studies, introductory material on finger-picking and making the transition from strumming to melodic playing. Includes access to online audio.

## Customer Reviews

Very nice intro to fingerstyle, starting with the easier but still interesting and progressing well past

where I am currently

Great Songs, very playable. I use it in my teaching.
