Customer Reviews

Great arrangements of fun songs... These songs are perfect for those who have played the piano and are coming back to the game. On a scale of 1 to 10. 1 being the bare basics to 10 being the hardest... this book ranging at about a 5/6.

I ordered this for a child who wanted to learn to play One Call Away by Charlie Puth. It is labeled

Easy piano which is Intermediate and Piano Solo which is Late Intermediate. The arranger, Dan Coates, is an awesome contemporary arranger and composer and the arrangements are well written. My son is also learning Shut Up and Dance (Walk the Moon) and the Main Theme to Star Wars, and his older piano-playing siblings have also picked the book up and played some pieces. If you like at least three pieces in this book, it would be worth the money.
