Card Games For Kids: 36 Of The Best Card Games For Children And Families

Synopsis

Get the cards out and have a go! There are easy instructions here for 36 of the best card games for children and families to choose from. I know you'll find something fun - whether you are looking for a quiet game for 2 kids, a rowdy game for a family gathering, or a game which will keep a group of teenagers and younger children entertained. Put a pack of cards in your pocket or handbag and this little book onto your kindle or handbag and you'll always have entertainment ready! Sometimes in these days of expensive toys and gadgets we forget that a simple pack of cards (or two) can provide hours of fun. Cards are inexpensive, easily portable and endlessly adaptable. Families can enjoy a game together, kids can play in groups on their own, and a solitary child can while away the hours playing solitaire games, practicing shuffling and dealing, or building card houses. Card games also build all sorts of skills. Younger children will encounter number recognition, sorting problems, fine motor skills, taking turns, practicing patience. Older children will start to use their strategic thinking skills and can benefit from watching (and trying to remember) the cards that other players put down or play and working out odds.

Customer Reviews

This provides exactly what it promises: Clear rules for card games that children will enjoy. Many are fun adult games too. It gives suggested age ranges, number of players, distinguishes between games of chance and those involving skills (and tells what those skills are).

very informative. our kids and their friends enjoyed card games for hours when the weather was bad.

I did not want a book I wanted games to play!
