# Mother Teresa Of Calcutta: Finding God Helping Others: Life Of Mother Teresa

## Synopsis

If you want to read a book about the most generous and inspirational human being of the 20th century, then you will definitely want to purchase this book on Mother Teresa. However, this book is not just a biography of her life and missionary work throughout the world. It is a book about the real Mother Teresa who was born Agnes Gonxha Bojaxhiu. She learned from an early age the importance of being charitable to other people from the guidance of her Catholic upbringing. This led her to receive a calling from God that would change her life forever. It was this calling that eventually made her decide to leave her family in Macedonia and pursue a life devoted to serving God. There are not too many famous nuns of the 20th century. Mother Teresa's fame and celebrity came from simply doing good deeds. She is an inspirational woman because she sacrificed her own comfort and happiness numerous times in order to help others. Even if you are not a religious person, you will still find this book interesting because of the generous human being that she was. Despite living a middle class life while growing up, she had no reservations about becoming poor just to be close to those who needed her the most. How many people in modern times would do the same thing? If more people would act like Mother Teresa then the millions of people in the world still poor and hungry would have a chance at a happier life. This book will not only educate you about who Mother Teresa was, but it will inspire you to lead a more generous life as well. What you will learn from this book:

Introduction to Mother Teresa  
Who was Mother Teresa  
Early years of Mother Teresa  
Her decision to become a nun  
Message from God - Her religious calling  
Christ spoke to her - Her second calling  
Mother Teresa amongst the poorest of the poor  
The start of Missionaries of Charity  
Miracles by Mother Teresa and sainthood  
Her criticisms and controversies  
Her legacy  
What we can learn from Mother Teresa

## Customer Reviews

This is the second book I've read by Sharma, and I will definitely read others. She speaks with a clear, straightforward voice, giving an insightful overview of the life of Mother Teresa. She has done her homework thoroughly and clearly enjoys writing the story. I think this book would be particularly well suited to Jr High Students wanting a "beyond the textbook" understanding of this remarkable person.

I am not a catholic, I am not a missionary, and I can hardly call myself a humanitarian. However, Mother Teresa has inspired me through her actions. This book does a remarkable woman justice by showcasing her incredible deeds. Highly recommended.

Mother Teresa of Calcutta by Shalu Sharma is a remarkable and delightful biography from one of indie lit's most promising authors. Having built her reputation on informative guides for travelers and students, Sharma adds to her anthology with this inspiring work on the life of a religious icon. Mother Teresa is renowned throughout the world for her selfless devotion to the people of India, and Sharma takes us from her humble beginnings in Macedonia to her ministry as a founder of the Missionaries of Charity in Calcutta. This is a well-designed book with the colorful pictures that have become a Sharma trademark. It's also filled with lots of information about the life of one of the world's most beloved humanitarians. For lovers of Indian culture and history and readers of all ages, Mother Teresa of Calcutta by Shalu Sharma is a worthy addition to every bookshelf.

Mother Teresa was truly an amazing and inspiring woman who knew exactly what selflessness is and practiced it every day of her life. She is one of those people that will go down in history and never be forgotten because of all of her outstanding contributions to this world. Many of her

contributions has inspired people all over the world to be better people and will continue to inspire people for decades to come. This book was very important for me to read so I can see how I can live my own purpose in this world. I will surely be spreading the word to my future children.

You may not have heard of Agnes Gonxha Bojaxhiu but you probably have heard of Mother Teresa, who although not officially listed as a saint was indeed that and more. With empathy for all, Mother Teresa devoted her life to helping others. This book tells her story and goes in depth on what a special person she really was. Taking care of others and performing what can only be called miracles, Mother Teresa is a person we can all learn a life lesson from. The author did a wonderful job bringing Mother Teresa to life for readers.

I've always been curious about Mother Teresa. I have even bought few books about her, the first few told same thing. This book tells a little more different from the others that I've read. The author wasn't bias and I love her for that. Mother Teresa for me is more likely that she has inspired many humanitarian workers whose actions have truly relieved the suffering of the destitute and addressed the causes of poverty and isolation without being extolled by the media. But whether or not her image is deserved, the author accept that there are many positives to her reputation.

Truly an inspirational book that will get you to really think about meaning of life. Mother Teresa lived a life to serve others not for herself and made a huge influence in our lives today. This is a mandatory read for all people. Recommended

The Roman Catholic nun Mother Teresa had long been a much-talked about and admired public figure. I recommend this book to people who would like to learn more about her. One thing you will learn is, despite all the good she did to help the poor Mother Teresa still had her critics.
