Customer Reviews

Perfect for my junior high student who is learning to play but gets sick of the same songs played in band class. Exactly what he needed to keep him interested.

This is an amazing accompaniment book and CD combo. The orchestrations are unbelievably rich and inspiring to play along to. I love this CD and book combo!!! Worth every penny!!

The only problem i had with this is that duel of the fatesisnt really the real one,and shipping takes a

while. Every other song is fine. BEWARE:shipping does take 6-8 weeks

Just what I was looking for

This is a great book. My son, who has just begun playing the trombone, was excited to get it for Christmas. Unfortunately, it is too difficult for him right now. But his private instructor said he could begin using it next year.
