## Synopsis

## Customer Reviews

These books are simply essential to every soprano and voice teacher. Continuing from the three-volume "First Book" series, the "Second Book" contains two volumes full of art songs in English, Italian, German, French, and Spanish. The range of eras and stylistic variety is inspirational.

Quality products with reasonable prices. Quality products, good service - fast delivery! I'm glad to have this product and willing recommend it to the others.

A wonderful book of music for the learning singer. There is a good variety of music in this book. Well worth the money.

I love that this book comes with CDs (I don't play the piano fluently..). It is filled with art songs. This is more advanced than the 1st book.

I bought this book as requested by my voice coach. It arrived perfectly. It was strapped to a piece of cardboard and then put into a cardboard box. Good job!
